

Happy Holidays!

Merry Christmas & Happy New Year!

2012 was an eventful year filled with ski trips, camping, friends, family & a European Adventure!

We started off the year with a couple of ski trips at Table Mountain Regional Park near North Battleford, where both Jason and Alix improved their downhill skiing skills. Then in February Alix got to be Matron of Honour at her good friend Jessica (Bailey) Babyck's wedding. Congrats Jessica & Nic, almost one year now!

On the work front, Alix became a project manager at Tetra Tech, so she doesn't have to be in the field as much now and instead gets to enjoy working out of the nicely air conditioned and heated office. Jason is still working as an IT consultant at ProjectLine Solutions.

Over the summer we enjoyed working on our vegetable garden and completing some more of the landscaping in our yard. We also kept busy with camping trips with friends to several provincial parks (Blackstrap, Echo Valley, Rowan's Ravine) & Prince Albert National Park.

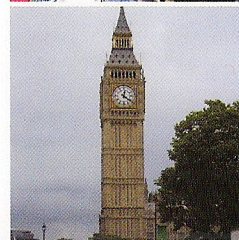

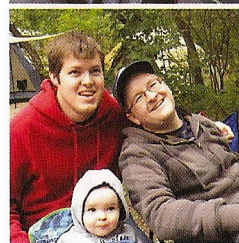

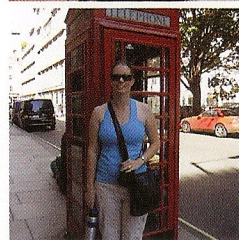

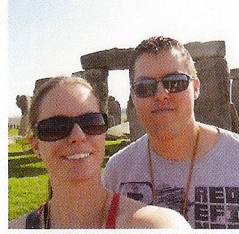

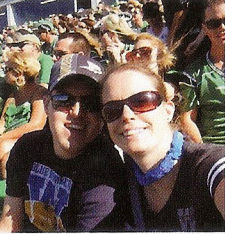

In September we had the great pleasure of attending the Labour Day Classic football game between the Winnipeg Blue Bombers and Saskatchewan Roughriders. Dressed in the blue

& gold of our home province/town we were lost in a sea of green and very disappointed by the unfortunate outcome of the game.

Later in September we visited London, Paris and Amsterdam in a wonderful 13 day adventure! In London we took in some of the Paralympic festivities, visited the Tower of London, Hyde Park, the Tate Modern Art Museum, the London Eye, Big Ben, Westminster Abbey, dined on fish and chips, saw the wonders of Stonehenge and the Roman Baths and enjoyed tea and scones. Then in Paris we toured by bike seeing Notre Dame, the Arc de Triomphe and many other sites, we visited the Louvre, the Palace of Versailles, Napoleon's Tomb, a show at the Moulin Rouge and gazed from the top of the Eiffel Tower at night! We got to ride a high-speed train to the Netherlands where in Amsterdam we visited Anne Frank's House, cruised the canals, enjoyed the unique architecture and culture of the Dutch, dined on savoury pancakes and fries with mayonnaise and viewed some of the works of Van Gogh! It was a trip we will never forget!

In October we were happy to become an aunt and uncle to Lillian Grace Gundry Phillips, our first niece! A cute little bundle of joy we look forward to meeting some day soon!

All the best in 2013!
